- *In the environmental terms,... For instance ...*
- *In social terms,..*

## 2 PART QUESTION

In recent years, ... There are a number of reasons for this trend, which is having a significant impact on both family life and on the community as a whole.

There are two important reasons why ...

- *Firstly, ...*
- *Secondly... For example...*

However, this tendency could have negative consequences in terms of both family life and society.

- *An important concern for ...*
- *Another negative factor is that ...*

In conclusion, there are a number of reasons why ... As a result, there could be negative influences on individual families and the society at large.

It is true that modern life has brought .... There are some important changes that have taken place, and in my opinion these have been largely positive ... become a thing of the past.

- ...
- ...

I consider ..., ...

- *Firstly...*
- *Secondly...*

In conclusion, while it may be fashionable to mourn the loss of the traditional family, it is more realistic to welcome the changes that have taken place as positive, to meet the challenges of the modern world.

It is true that ... Some reasons can be identified, and I would argue that both ... and ... benefit. There are at least two important reasons why I think ...

- *Firstly...*
- *Secondly...*

Both ... and ... benefit.

- *... benefits because ...*
- *... benefit through ...*

In conclusion, there are some clear reasons for this ... trend and I believe that everyone benefits – it can be truly said to be a win-win situation.
